

INTERNATIONAL EXCHANGE STUDENTS

The board recognizes the value of student international exchange programs and/or the hosting of qualified foreign students. Such programs may be approved when admission of an international exchange student does not adversely impact the instructional program of the district. The superintendent is authorized to review and approve organizations which propose to offer a foreign/domestic travel-study program.

The superintendent is directed to develop procedures, including but not limited to: criteria for program sponsors, responsibilities of sponsors, enrollment standards including traffic safety courses, co-curricular participation, and graduation requirements.
