

Purchasing and Bid Laws

The District is required to watch categorical spending and adhere to the State Purchasing and Bid Laws. We recommend purchasing from the links below on all purchases. Due to the district spending over \$75,000 on computer equipment, fuel, and potentially on furniture, we are required to comply with the bid laws by purchasing equipment from the links provided below.

Bottom Line: By purchasing from Washington State Department of Enterprise Services, KCDA, TCPN, National IPA, OETC, Washington Learning Resource (WLS), or Piggybacking the Spokane School's bids, the District will stay in compliance with the state bid laws. These entities have bid out every item available for purchase. Be sure to search the following websites for your building purchases:

- **Washington State Department of Enterprise Services**
